CHICAGO GRAIN MARKET. Chicago, Jan. 18.—Bears in the wheat market took advantage today of reports that Italy had cancelled some of her contracts for wheat bought in the United States. Phices rallied later but failed to hold. The finish was unsettled, with March 81.74 3-4 to \$1.75 and May \$1.68 2-4 to \$1.67. Corn lost 5-8 to 1.7-8; oats 3-8 to 1-2c, and provisions 7 to 45 cents. It developed that only 80,000 bushels of

wheat bought for Italy had been can-celled, but leading traders were apparenly disposed to accept a current opinion that reselling of wheat may be a big factor if Argetina begins to ship freely. Besides yesterday's export sales were not as large as had been supposed, and domestic flour business has not reach-ed the degree of activity that was look-ed for. Word that 480,000 bushes had
